WHEREAS the Court must make clear that this and all of the Court's Orders apply to the Administration, Supervisors, Corrections Officers, Staff and Contractors at the Cumberland County Jail; and

WHEREAS the Court must SUPPLEMENT its August 6, 2021 Order to clearly address the issues raised by the Court's Order,

THEREFORE,

IT IS HEREBY on this 7th day of September, 2021

ORDERED that the Cumberland County Jail shall place the storage lockers containing the cleaning supplies in a secure area, visible by video surveillance, where only Corrections Officers can have access; and it is further

ORDERED that in dormitory areas, the lockers shall be placed outside of the cell area by the Corrections Officer in charge of the unit and in view of video surveillance; and it is further

ORDERED that in the medical area, the locker may remain in the closed cleaning closet that is not within the view of video

surveillance so long as no inmate can have access to the cleaning closet without supervision of a Corrections Officer; and it is further

ORDERED that each locker shall have a separate log upon which a Supervisor shall log each item replaced or placed into the cleaning locker; and it is further

ORDERED that at least at the beginning of each day, a Supervisor shall be responsible for ensuring that all items required to be in each locker pursuant to the Court's August 6, 2021 Order are present by the Supervisor's actual placement or replacement of such items and denoting such actions in each locker's logbook; and it is further

ORDERED that the Corrections Officer in charge of each housing unit shall be responsible for the distribution of adequate cleaning supplies to inmates in a manner that ensures no waste, pilferage, or destruction of cleaning supplies; and it is further

ORDERED that each time an inmate receives cleaning solution and/or mops, the Corrections Officer in charge of a housing unit must denote the name of the inmate who received the cleaning solution and/or mops, the time received, and the time returned; and it is further

ORDERED that the Corrections Officer in charge of a housing unit is responsible for ensuring that no inmate who uses the cleaning solution to clean his or her cell or personal area shall have the cleaning solution for more than 15 minutes; and it is further

ORDERED that if the cleaning solution bottles are empty or low during the shift, the Corrections Officer in charge of a housing unit is personally responsible for ensuring that the cleaning solution bottles are refilled and placing a notation in the cleaning locker's log; and it is further

ORDERED that a copy of this Order and the Court's August 6, 2021 Order shall be provided to each Administrator, Supervisor, Corrections Officer, Staff Member and Contractor such that they
